Bil's Editorial Comment, News and Views

Dear Collector,

First of all, may we wish you and yours all the best for the Festive Season and for 2025.

This year seems to have flown by and suddenly we are planning activities for the next one. I will be giving displays in Conway and Cheltenham early in 2025, and we will be at MidPex as a dealer on July 5th. I am always happy to display my Antarctic material and look forward to hearing from any club with display vacancies.

I am pleased to say that the feedback we have had about STAMPLincs 2024 has been very positive and planning has already started for the event in 2025. Watch this space! A more detailed update will follow in the February catalogue.

With regard to this auction, please send your bids in early. Our local postal service has recently come up with a new plan. They only deliver mail to us when there is about 20-30 letters to deliver – so we get a delivery every 4-5 days or so. If you can please send bids via email or call us and leave a telephone bid.

For those who cannot attend the auction I will supply scans of relevant lots (where practical) or will talk through lots with you on the telephone.

You will find the usual mixture of items in this catalogue and we hope to see you at the auction.

Bil, Janet and 'agilist' Kira our guard dog 🐾🐾
