Bil's Editorial Comment, News and Views

Dear Collector,

We start on our second century of auctions, and I look forward to running many more.

A couple of important points:

- We have a new email that should be used for all auction related matters. auctionsbil@btinternet.com – please change your records – but note the old email will not disappear so emails should not go astray.
- On the subject of email, where you send us bids via email we will acknowledge your email. If we do not, or you do not receive an acknowledgement then please chase as we may not have received or actioned your email. We are human and mistakes happen.
- Washingborough Parish Council have informed me that the Hall cannot be used until at least March (or when the government rules change again). So December and February will be postal – and maybe we will all be allowed to meet up in April for a Spring Bonanza. Let us hope so.

I am happy to provide scans of appropriate lots or talk through them with you on the phone. (01400 230769).

Please take care in these difficult times.

Best Regards and remember....

KEEP CALM, KEEP SAFE, KEEP COLLECTING STAMPS and KEEP SUPPORTING QPR (PLEASE NOTE OTHER TEAMS ARE AVAILABLE – JUST NOT AS GOOD)!

General Comments

COLLECTIONS - We will offer a collections facility following the auction – provided that the Government Guidelines and Rules do not change. If you want to collect, please call and arrange a collection time and date. We will place your lots on the table in the garage. When you arrive, we open the garage, you enter and take your lots away.

DELIVERIES - Where possible, I am happy to make local deliveries. Obviously, I cannot drive all over the country delivering parcels (there are specialist companies that do this). However, where medical conditions mean you cannot get out, then I can bring the items to you.

VENDOR MATERIAL - We will accept material from vendors. This can be posted to us or delivered. If you do have any material, please call and talk through what you have before sending or arranging a delivery. I need to make sure that the material I receive is appropriate for the auction and that I do not get overloaded.

Vendors who wish to deliver material will follow the “reverse collections” process. So, we agree a date/time for delivery. We open the garage and you leave the material on the table.

FUTURE AUCTIONS - The future auction dates are on the front of the catalogue.
