## **Bil's Editorial Comment, News and Views**

Dear Collector,

Welcome to the latest catalogue.

Given the current state of the world (both domestically and internationally) it seems like a good idea to focus on stamps as a way of bringing a little normality back into our lives.

In this auction you will find our usual mixture including a number of boxes and mixed lots, and a few modern coins 'hidden' at the end.

### **Pre-Auction Viewing**

This will be held on Thursday 7<sup>th</sup> April. Please call Bil beforehand and book a slot.

### **Vendor Material**

We will accept pre-arranged deliveries at this auction. If you have material you wish to place in the auction, please call Bil beforehand to discuss what you have, and to agree (or not) that it can be accepted. Please remember no empty binders, old catalogues, old stamp magazines or similar.

If you are not able to attend the live auction, please post your bids early given the 'challenges' with the postal service. Or send them via email or call us.

In this auction we hope you find something of interest and remember that we can provide scans of appropriate lots or to talk through them with you on the phone. (01400 230769).

Please stay safe, take care and we look forward to seeing you at the auction.
