Fill the Gaps – Bil’s FTG9 Editorial Comment, News and Views

Dear Collector,

Welcome to our latest Fill the Gaps Postal Auction catalogue.

Since the last catalogue was published the MidPex Fair has come and gone. Many thanks to the several of you who stopped by to introduce themselves at MidPex. It is good to make direct contact – “faces to names” as the cliché goes – and I hope to meet more of you in the future.

The MidPex Fair itself was better in many ways than the Bracknell Fair I spoke about last time. The advantage MidPex has, in my opinion, is that many Societies have tables at the Fair and that attracts their members. I started going for the simple reason that I know several of the Polar Postal History Society will be there and will be interested in my Antarctic covers. It is a good day out – albeit in the middle of nowhere in Warwickshire. Here’s to the 2021 event.

In terms of this auction, as well as the normal range of material it is worth noting the following:

- There are extensive ranges of Germany, Iceland and Switzerland.
- There is a separate section for French, German and Portuguese Colonies. Unfortunately, Italian Colonies will still be mixed up with Italy. I am working on sorting this for another time.
- I have added a “Thematics – Europa” section. There will still be Europa lots in the country sections – in the same way as Birds can be found in Thematics and by country. I will try and include the less common countries in this thematic section.

I hope you find something of interest.

For those of you of a superstitious nature, please don’t worry about this auction finishing on Friday 13th. I have it on good authority that Jason Voorhees (Friday the 13th franchise), Freddy Krueger (Nightmare on Elm Street franchise) and all the others will behave – as they are all avid stamp collectors. Even Hollywood horror film villains need something to do whilst waiting for the next batch of “visitors” to pass by their remote location?

As always, if you have any questions or comments, feel free to call, write or email.

Best Regards

A handwritten signature in black ink, appearing to read 'Bil Tilbury', with a horizontal line underneath.

Bil Tilbury

I will be at StampLincs August 24th and Kettering Club Fair October 26th

5.	POSTAGE. To comply with recent law changes (end of 2017) no surcharge will be made for credit card payments. A straight £2 postage charge (£3 for Europe, £4 for non-EU) <u>will be added to each invoice irrespective of payment type</u> with additional Registration Fee for sending's above £250 (Inland) or £100 (Europe/Overseas).												
6.	PAYMENT. We offer several options: <ul style="list-style-type: none"> • Bidders can provide credit card details by filling in the relevant part of the bid form. • Bidders can send a blank cheque (marked not to exceed £xx) and made payable to Fill the Gaps. • Bidders can pay on receipt of the goods.
