Fill the Gaps – Editorial Comment, News and Views

Dear Collector,

Welcome to our latest auction catalogue - Fill the Gaps 16

I hope you remain well and are coping with the changes as we move to whatever the “New Normal” will be. In our area more functions and facilities are becoming available. Thankfully, our local health club re-opened recently, so we can go swimming. The dog is also pleased as her dog groomer is open and she can get “beautified” again. So, things do seem to be improving, and let us hope that trend continues.

The stamp trade has undoubtedly been affected over the last many months with events being cancelled, and changes being made. We have moved our “live” auction to postal and I know other stamp auctions have expanded their internet/on-line capabilities. The view seems to be that live events (fairs, auction viewing) will slowly come back in the early part of next year. Let us hope so!

One recent highlight for us was the first Grantham Stamp Club Zoom meeting – including single sheet displays by various members. This we will repeat going forward as the hall we normally use remains unavailable.

In the meantime, there are again lots of interesting things in the catalogue including many Commonwealth pre-53 items, and the usual ranges of countries and thematic.

One reminder regarding bidding. We happily will accept bids over the phone or via email in lieu of posted hardcopy. Please bid in whatever way is easiest for you.

One change to be aware of is that we have introduced a new unique email address for both Fill the Gaps and Bil & Co. Please use the following auctionsbil@btinternet.com from now on.

And finally, football is back – although in truth it did not seem to be away for very long. QPR have sold their best player and the losing trend continues – no change there then!

As always if you have any questions or comments, feel free to call, write or email.

Stay Safe. Stay Well. Remember Anything Philatelic is Good for You!

Best Regards
