3.	Realisations of sold lots will be sent to all bidders, whether successful or not. Full realisations may be included in future catalogues as space allows & demand dictates.						
4.	We offer a complete satisfaction guarantee and would not wish you to feel you need to keep a lot if you are unhappy with it. If dissatisfied, you should return it within 7 days with your reason and a FULL REFUND will be made.						
5.	POSTAGE: A uniform postage charge will be added to each invoice based on the bidders' geographic location as follows: £3.00 for the UK, £4 for Europe and £5 ROW. Additional fees will apply where the total value exceeds £250 (inland) and £100 (overseas)

Fill the Gaps – Editorial Comment, News and Views

Dear Collector,

Welcome to our latest auction catalogue - Fill the Gaps 37.

The mornings are lighter, but the temperature is still variable with shifts of 10+ degrees from one day to the next. Hopefully the weather will settle down and we can all look forward to Spring, and an increase of stamp fairs, auctions and philatelic events such as STAMPLincs. It is actually an Autumn event, but some background details might be useful.

STAMPLincs is a way to get the philatelic community within the county (and beyond) together, in order to promote philately in all its forms and to help local good causes. The main event is a stamp fair held in Washingborough (east of Lincoln), where funds are raised for charity and also for each attending stamp club. Any vendors out there, or stamp club secretaries who want more information please feel free to call or email me.

Regarding FTG 37, there is a new '**Bargain Booklets**' section at the start of the catalogue where all the lots have the same reserve of £2.50 regardless of the catalogue value of the booklet. . Elsewhere in the catalogue there is the usual mixture of countries, periods and themes, and I hope there will be something of interest for you.

The other news is that the Post Office are raising their prices again (2nd April) adding 10p to each of first and second class, and more to other mail categories. These price increases will obviously be in place when FTG 37 closes, but I have decided to leave postage costs as they are for this auction.

My penultimate point is the usual one about bidding early and bidding via telephone or email and thus avoiding the vagaries of the postal service – if you can.

And finally – the Superhoops have woken up (at last). Three wins on the spin and out of the relegation zone. Amazing! My thanks to the many of you for the football comments on your bid forms.

As always if you have any questions or comments, feel free to call, write or email.

Best Regards

Bil Tilbury
